About The Firm

Lex Ensemble FZ LLC is a boutique law firm specialising in Contract Management, Due Diligence, DIFC/ADGM commercial litigation, Arbitration, Funds, M&A and other corporate transactions.. The Founder & Managing Partner, **Santanu Ghosh**, is a prolific lawyer with experience of almost **25 years** in the legal space and has successfully cemented his place amongst the who's who of the legal fraternity in UAE. With his range of experience covering various facets of law, Santanu seeks to support the business fraternity with impeccable business friendly drafting of commercial agreements as well as defending & protecting their rights before the Commercial courts of DIFC, ADGM as well as arbitration tribunals.

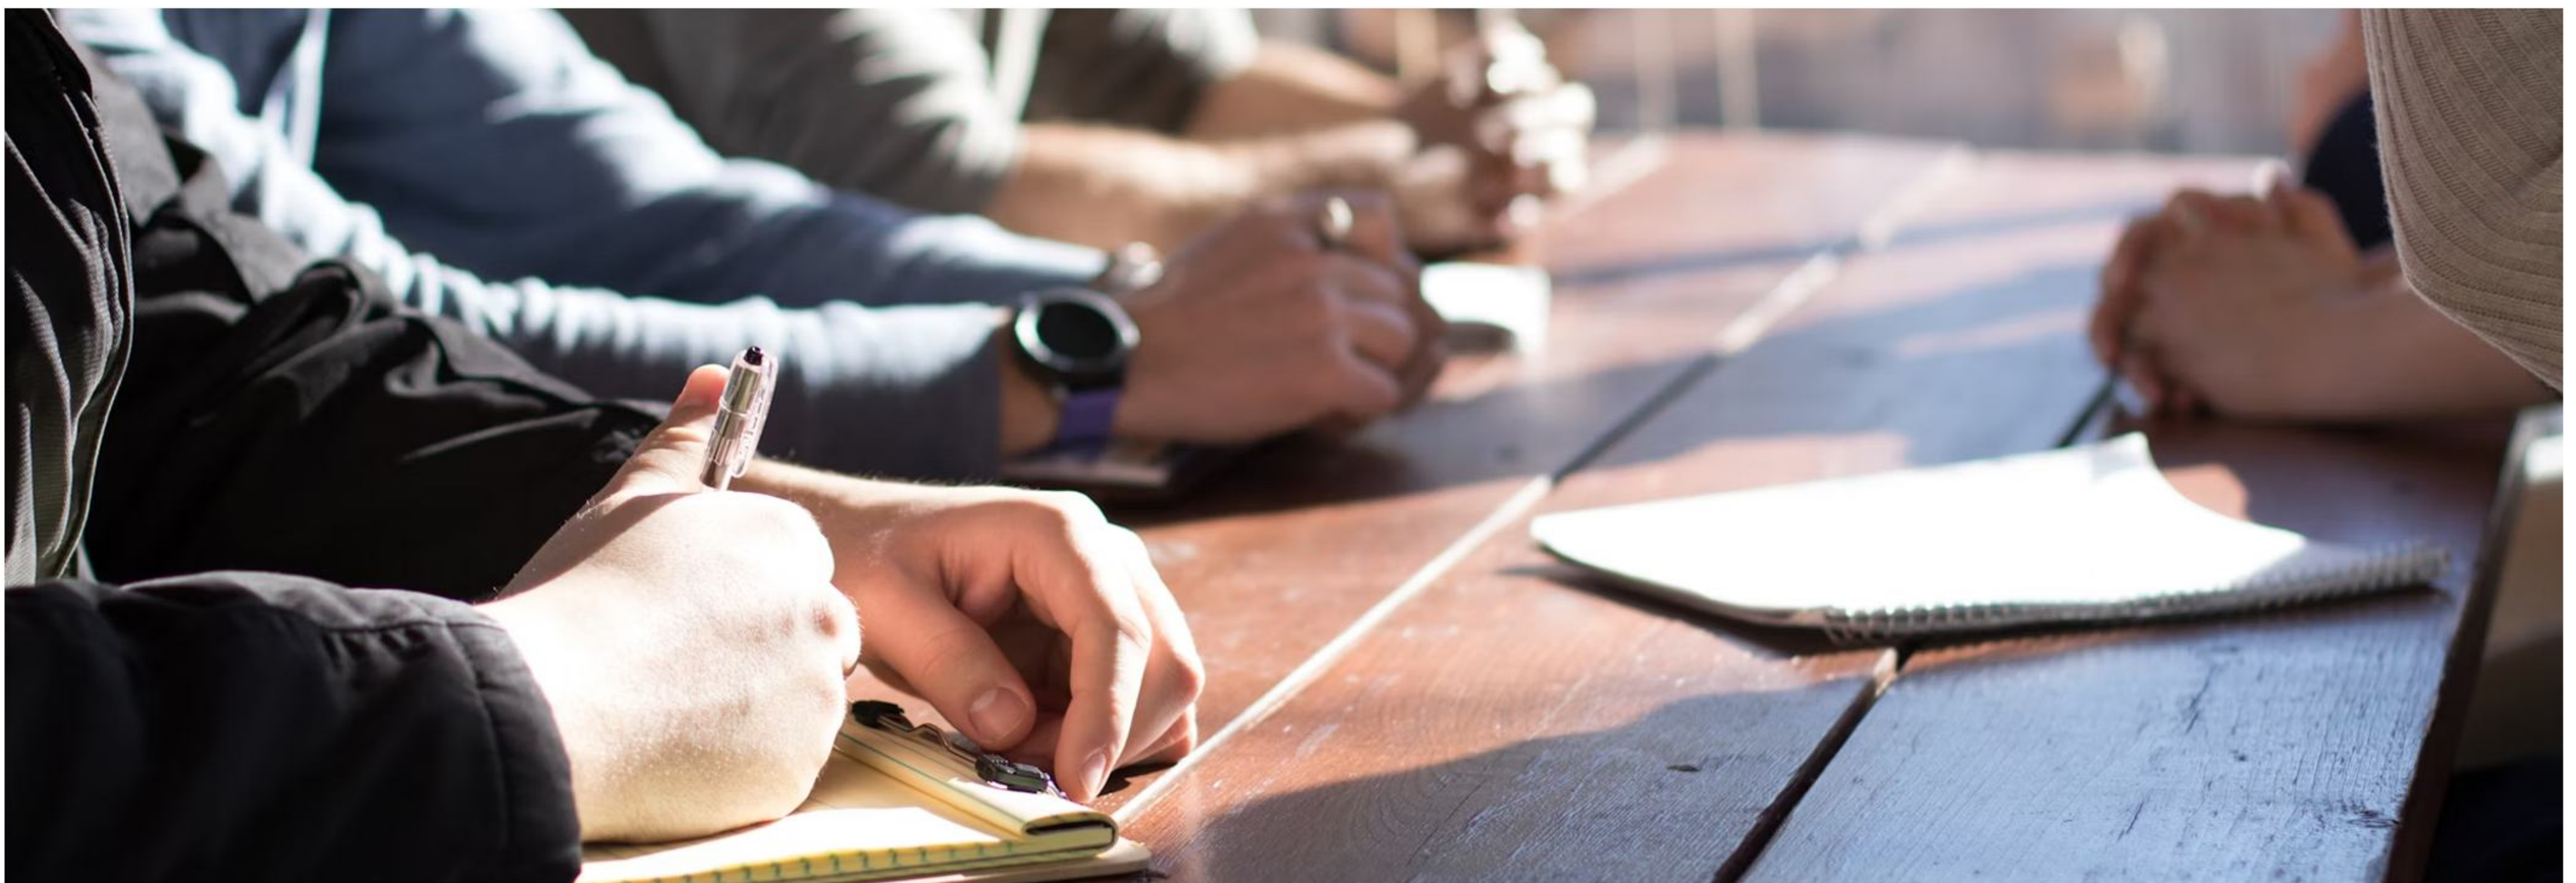

Vision & Values

Our Vision

The vision is to act responsibly and become the advisors of business enterprises across Asia, GCC & MENA region and Europe, with interests in the Emirates.

Our Vision

• Knowledge

All of us at Lex Ensemble believe learning is an ongoing pursuit and we dedicate ourselves to ensure knowledge building and keeping us updated of the changes and process of law. Through continuous professional development and industry research we keep our expertise robust and current at all times.

• Understanding

Our approach is always one of empathy and understanding. We know resolution of legal issues can be time consuming and taxing. Our attorneys are patient and take a personal approach with all of our clients. We're here to lean on throughout the process and into the future.

• Guidance

When you're not sure of the right approach or worried you'll make the wrong decision, we are here to guide you. We make sure to fully understand every client's unique situation so we can provide you with the options you need to make informed and knowledgeable decisions.

• Clarity

We delight in seeing our clients truly understand the process and the details. Our attorneys take their time to ensure every step is made simple and clear. From your initial consultation, to the signing of documents, and well into the future, we are here to demystify the process.

Our Mission

Our mission is to provide high quality legal consultancy, support and results for the clients' legal issues.

We provide professional and trusted legal services that assist businesses becoming sustainable. Using his expertise and experience, Santanu Ghosh documents and builds his customers' cases to obtain the results they aim to achieve in their particular situation. **Santanu Ghosh is known for correct legal advice, aiming to bring favourable results for his clients as effectively as possible.**
